Dear Mr. Blumstein:

This is in regards to your letter of July 22, 1982, about the Picillo Waste Disposal Site in Coventry, Rhode Island.

The periods of time described, January 1, 1976 to December 31, 1977 are nearly four (4) years before my business was started. We formed a partnership October 14, 1980. Our Company ships only in the Midwest: Missouri, Kansas, Oklahoma and Nebraska. It is unfortunate that any waste was improperly disposed of and doubly so with a Company with a name similar to ours.

I am sure that this letter will clear B & A Distributing Company from any involment in illegal dumping.

If any further information is needed, I will be glad to comply.

Sincerely,

Wayne Wm. Bradshaw
